To the best of the Director's knowledge, the loss for 2016 is mainly attributable to a number of factors as below:

- decrease in revenue from the RF-SIM business;
- increase in costs from the call centre business; and

During the course of audit work, our auditors are of the view that the GLCH Group should remain as a subsidiary group of the Company and its financial results should remain to be consolidated after completion of the distribution in specie of 254,336,880 shares in GLCH Group as previously announced by the Company on 16 November 2016. The Board adopts and agrees with such view from the auditors.
